RE: Filing of Contract Form
Progress Energy Area and Street Lighting contract form

Dear Mrs. Boyd:

Enclosed for electronic filing with the Public Service Commission is the Progress Energy Area and Street Lighting contract form. This form has been in use for several years to provide a monthly billing estimate associated with area and street lighting proposals. It has recently been modified to include the customer's signature should the customer direct PEC to proceed with the lighting installation. The form is therefore filed pursuant to South Carolina Code of Regulations 103-346.

Very truly yours,

Len S. Anthony
General Counsel
